

Inspire Maths: Pupil Assessment Book 5

By Jalil, Zalina

Oxford University Press, United Kingdom, 2015. Paperback. Book Condition: New. 305 x 270 mm. Language: N/A. Brand New Book. Inspire Maths builds firm foundations and a deep understanding of mathematical concepts through a concrete-pictorial-abstract approach, emphasising mastery to help children become confident and independent mathematicians. This Assessment Book provides regular summative assessments to create a record of progress for each child, and further supports the assessment opportunities outlined in the Teacher's Guide. The Assessment Book includes three main types of assessments: Tests, Check-ups and Challenging Problems. Tests cover learning from the preceding two or three units of the Pupil Textbooks, Check-ups revisit the previous units and Challenging Problems are non-routine and unfamiliar questions that require children to use their repertoire of strategies.
