Use them to develop the skill to creatively solve problems when they suddenly arise. In some, you may need to suspend your disbelief to play along. Some will make your head spin. Others may make your heart pound. Still others will make you go hmmm. They will stretch your mind and help you to develop your ability to formulate best possible solution in situations where you must quickly decide upon a course of action and there s little available information to work with. Try your hand at inventing different endings and discussing and debating the possible solutions or interesting outcomes that you came up with.
