Sturgis has searched and researched the historiography of the great men of the mid centuries who were not deterred from presenting the Gospel of Jesus Christ to English speaking peoples. The abuse and tyrannical persecution of the mid centuries pilgrims and others whose only thought was to worship their God in freedom, is only partially documented in this series of small booklets. The author has delved into much research to bring to light the abuse and persecution of the then Catholic Church and also the kings of England. Many great men and women faced death for daring to bring the word of God to English speaking people. Following is only one example of the many heroes that have forged the way for the authorized King James version of God s holy word and believer s plight for freedom of worship. May God continue to bless the United States of America!.
