American Indian Fairy Tales Myths, Legend and Folk Tales from Around the World

By Margaret Compton

Abela Publishing. Paperback. Book Condition: New. Paperback. 140 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. Originally published in 1895 and again in 1907, American Indian Fairytales is a collection compiled for children and young adults. Originally published under the title Snow Bird and the Water Tiger and other American Indian Tales, this volume includes 17 stories of magical feathers, fighting hares, an island of skeletons, great wizards, and bended rocks. A description of the lagoo, the teller of the stories contained in this book, also waits within. The author, Margaret Compton, drew on authentic lore and anthropological research from a wide variety of sources, including the Smithsonian Institute and US government reports. Markedly, she retains some of the most colourful story elements, such as grotesque monsters and cross-dressing characters, which some other authors and publishers of her day (and possibly ours) might have omitted. She further maintained the authenticity of the works by sprinkling throughout stereotypical language references of the time, including squaw, papoose and wigwam. American Indian Fairytales also provides an interesting window into the attitudes of the past; we encourage readers to think upon how attitudes have changed in the century since this book was originally published. So join...

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- **Doyle Schmeler**

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
