Finally, a game leader s dream book that is thorough yet succinctly written that combines group games that actually have been played and that participants immensely enjoy. Here in one book are all the elements for effectively leading and participating in group games that are fun, that require little or moderate equipment, that range from high to low energy, and that can be played with players from all ages. The unique and consistent game template with a game on each page is easy to follow and results with leaders and players getting the most out of the activities. If you ever wanted to own just one book-one game book-this is it! Inside you will find the one hundred very best group games ever played, along with key terminology, play statements, effective teaching techniques. It Power guidelines, methods to select teams, learning theory, guidelines for processing the games, tournament information, and a creative game matrix with nearly three million different combinations of games. Playing games can be lots of fun. Leading games can be quite rewarding. The information in this book provides an opportunity to maximize both the fun and effectiveness of leading play activities. Every game in this book has been played and replayed, analyzed and tweaked, and written from the heart by an author who loves to have fun, laugh, and see others caught up in the enjoyment of play. Games are not just frivolous or about playing; people tend to play the way they live their lives also. We can learn a lot about players when games are a tool to observe human behavior. Effective leading and leaders who ask the good questions can make...
