Phaidon Press Ltd. Novelty book. Book Condition: new. BRAND NEW, The Bug Next Door, Beatrice Alemagna, Annette David, Little Speckled Bug is in bed with a cold when a mysterious new neighbour comes knocking at his door. He has never met a girl bug before, and is excited and captivated by how different she from him. But as they talk about what to eat and what to play, Little Speckled Bug realizes that they just can't agree on anything. It seems like little boy bugs and little girl bugs are just too different to get along with each other. But then again, she makes him feel so happy! This third book from the charming world of Bugs in a Blanket is a simple, endearing story about difference, tolerance and identity. Illustrated through warm, texture-rich felted wool and fabrics, this cosy book is perfect to share with little ones at bedtime.
