Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Hodder Stoughton General Division, United Kingdom, 2007. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. It s 1972 and as the dreams of the sixties give way to anger and political unrest, the charismatic anarchist Declan O Connell commits suicide, leaving his boyfriend Pearson and fellow squatter Nina to try to make sense of what has happened. Enter Sweet Thing, a streetwise rent boy, who has an uncanny hold over glam rock star Johnny Chrome; and in the wings lurks Detective Sergeant Walker of the newly formed Bomb Squad, who knows more about O Connell than anyone ever suspected. The course of all their lives is about to change forever - for better and for worse. In this taut, powerful novel, Jake Arnott portrays four people searching for a sense of identity, their emotional and sexual turmoil mirrored by the turbulence of the times. Bringing that era vividly to life, he captures the mood of Britain at a turning point in history.
