AK Press, United Kingdom, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Those who feel that like lemmings they are being led over a cliff would be well-advised not to read this book. They may discover that they are right. Noam Chomsky Jeffrey St. Clair and Joshua Frank have skillfully smoked out the real Barack Obama . . . the technofascist military strategist disguised as a Nobel Peace Laureate, but owned, operated, and controlled by Wall Street, Corporate America, and the Pentagon. Thomas H. Naylor, co-author of *Affluenza, Downsizing the USA* The writers assembled here hit hard, with accuracy, and do not pull punches. Marcus Rediker, author of *The Slave Ship: A Human History* The Barack Obama revolution was over before it started, guttered by the politician s overweening desire to prove himself to the grandees of the establishment. From there on, other promises proved ever easier to break. Here s the book that dares not let Obama off the hook. It s all here: the compromises, the backstabbing, the same old imperial ambitions. Covering all major Obummer categories since he took office, this fast-paced collection will delight the critical and offer food for thought for those contemplating the 2012 electoral circus and beyond. Jeffrey St. Clair is co-editor of *CounterPunch*, author of *Born Under a Bad Sky* and *Been Brown So Long it Looked Green to Me*, and co-author of *Whiteout: The CIA, Drugs, and the Press*. Joshua Frank is an environmental journalist and co-editor of *Red State Rebels: Tales of Grassroots Resistance in the Heartland*. His investigative reports and columns appear in *CounterPunch*, *Chicago Sun-Times*, *Common Dreams*, and *AlterNet*.
