Read this book by the award winning author, attorney and former teacher, Penelope Dyan, and practice your reading skills as you find out something about home. And if that doesn't make any sense to you, then that is the very reason YOU should be reading this book! There is a video that goes along with this book on the Bellissimavideo Channel on YouTube. Watch the video, and then see if you can understand a little more about the meaning of this book; But meanwhile have some fun as you learn some new words through word recognition and rhyme. Dyan loves kids, and she understands exactly how kids learn. She knows that kids like to have fun and that the best way to learn is by having fun learning. That way you will love to learn! This is why Dyan creates these books! So sing, dance, read and enjoy!.
