It is one of my favorite publications. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my father and he suggested this publication to understand.

PAUL KLEE: PAINTING MUSIC

Prestel. Paperback. Book Condition: new. BRAND NEW, Paul Klee: Painting Music, Hajo Duchting, A talented violinist as well as a painter, Klee drew much of the inspiration for his abstract art from musical rhythms and structures. Like a composer, he developed and harmonized pictorial themes, weaving a complex series of signs and symbols into his painting. The book focuses on Klee's decade-long tenure at the Bauhaus, where the artist's theories and practices first merged. Illustrated throughout with full-colour reproductions of Klee's paintings and etchings, as well as entries from his diaries, this unique study sheds light on an important aspect of Klee's work while providing insights into his development as an abstract artist.
