The Story Plant. Paperback. Book Condition: new. BRAND NEW, Anything, Michael Baron, Readers and reviewers alike have fallen in love with Michael Baron's work from the publication of his very first book. "Nicholas Sparks fans will rejoice," said RT Book Reviews of When You Went Away. "Mr. Baron touches my heart and soul," said Coffee Time Romance in its review of Crossing the Bridge. Genre Go Round Reviews called The Journey Home "a great family drama," while CMash Loves to Read said that Spinning was "an engrossing read that pulls on your heartstrings and doesn't let go, even after you read the last page." With Anything, Michael Baron again draws readers into a world of deep emotion, compelling relationships, and heartfelt humor, and this time he adds a touch of fantasy. Ken and Melissa are at the dawn of a magnificent life together. A passionate romance has led them to the doorstep of marriage. While searching for the perfect wedding present for Melissa, Ken stumbles into a mysterious shop. There, he is given an extraordinary opportunity -- to look in on Melissa when she was a girl. Ken has always wished he could have known Melissa from the day she was born and this seems like an incredible blessing. Until he discovers a terrible secret in Melissa's past, one so awful she has found it impossible to mention to him. Now Ken has another extraordinary opportunity. He can go back in time and change the horrible event that has left an indelible mark on Melissa. He can free her of this burden -- but doing so could change things so completely that they might never meet. Ken has repeatedly told Melissa that he would do anything for her. But would he truly do anything? At once a wildly romantic tale...
