Picador USA. Paperback / softback. Book Condition: new. BRAND NEW, The Private Lives of Pippa Lee, Rebecca Miller, What part of our selves do we hide away in order to have a stable, prosperous life? Pippa Lee has just such a life in place at age fifty, when her older husband, a retired publisher, decides that they should move to a retirement community outside New York City. Pippa is suddenly deprived of the stimulation and distraction that had held everything in place. She begins losing track of her own mind; her foundations start to shudder, and gradually we learn the truth of the young life that led her finally to settle down in marriage--years of neglect and rebellion, wild transgressions and powerful defiance. "The Private Lives of Pippa Lee" is the study of a brave, curious, multilayered woman--an acutely intelligent portrait of the many lives behind a single name. Rebecca Miller was a painter and actress before turning her hand to writing and directing. She is the author of the short-story collection "Personal Velocity," her feature film adaptation of which won the Grand Jury Prize at Sundance, and the writer-director of "The Ballad of Jack and Rose." Pippa Lee has a stable and successful adult life at age fifty, when her older husband, a retired publisher, decides they should move to a retirement community outside New York City.
