ALTHOUGH this story is concerned principally with the Man and the Maid, the Miasma pervades it to such an extent that I feel justified in putting his name on the bills. Websters Dictionary gives the meaning of the word miasma as an infection floating in the air; a deadly exhalation; and, in the opinion of Mr Robert Ferguson, his late employer, that description, though perhaps a little too flattering, on the whole summed up Master Roland Bean pretty satisfactorily. Until the previous day he had served Mr Ferguson in the capacity of office-boy; but there was that about Master Bean which made it practically impossible for anyone to employ him for long. A syndicate of Galahad, Parsifal, and Marcus Aurelius might have done it, but to an ordinary erring man, conscious of things done which should not have been done, and other things equally numerous left undone, he was too oppressive. This item ships from La Vergne, TN. Paperback.
