O. , 2007. LC Number: KF27 . F6 2007za OCLC Number: (OCoLC)172775806 Subject: Europe -- Politics and government -- 1989-. Excerpt: . . . 11 those developments is by building our own missile defense. I know there is a lot of argument about whether it can ever work or not. I think, from what I read at least, with some effort and with the expenditure of some money, yes, we can make it work. I think there are just several I will briefly touch on, and then I will be happy to try to answer questions. But I think we have to face the fact, and I know nobody likes to talk about this, but I think we are in the process of seeing the development of an Islamic terrorist movement that is going to expand, that is going to build on the religion. That is not to say that I believe that every Muslim is a terrorist, but it is to say that they are becoming increasingly organized. They almost certainly are getting support in broad measure from Iran. And indeed, I am afraid that we are going to see, to some degree, increasing support on the part of the Russians for at least some of those terrorist groups. And it seems to me relatively evident that this is another issue that cannot be dealt with unilaterally. We have an obligation, to put it mildly, to do what we can to reverse the trends of the last few years in which we were increasingly not listened to by our al-lies, and increasingly, we were,...
