Shawn Sodman, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Prologue It has been thirteen years that peace has reigned throughout the continent of Bruen. It has been even longer since Ariella Stormrage last laid eyes on the capital city of Sheathelm. Raised by the renowned dwarven privateer, Red Beard, this human female has returned to the eastern waters in search of the lost fortune of her adoptive father. An attempted mutiny claimed Red Beard's life just over a year ago, and now Ariella captains the Red Dawn, a ship that she has lived her entire life aboard. The timing of her return could not be more unfortunate as several ships have gone missing recently in the area. The king of Sheathelm-a human by the name of Arioch Ravenguard-has charged his friend and most trusted adviser, an elf by the name of Chance Na Moon, to look into the matter. A hero of the Dragon War and the Second Orcnea War, Chance is about to set forth on an adventure where he will confront his past, find new allies in the present, all while setting in motion events that will affect Runefell's future.
