Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

THE LAZY GARDENER

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, The Lazy Gardener, Grey, Do you enjoy natural beauty but don't have the time to cultivate a garden? Have you always longed for a beautiful yard, but find the idea of self-imposed yard work downright unpleasant? For busy people who want to have a garden but don't have the time or don't want to spend the time The Lazy Gardener tells us how to decrease the effort and increase the enjoyment of having a garden, in an amusing but practical way. Readers can get right to the heart of their problems by starting with a fun, hands-on quiz called HELP I'm Too Busy to Read This Book, or spend a leisurely afternoon reading the book from cover to cover. The author covers everything from choosing the right plants for your environment to designing a manageable garden and paring down chores. The book is illustrated with beautiful drawings by Vasily Kafanov. Mara Grey has been a professional gardener for over 20 years. Her weekly radio show, The Lazy Gardener, is broadcast in Washington, and she has a newspaper column by the same name. Grey writes for such publications as Horticulture Magazine, and teaches classes on gardening and landscape design this year she will be teaching a Lazy Gardener course.
