

A Guide for the Heroic Nerd: An Intelligent Way to Pick Up Girls

By Jack J Lee

Createspace, United States, 2012. Paperback. Book Condition: New. 198 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.If you want to learn how to become a player, this book isn't for you. To be a true player you have to treat women like objects; you can't afford to care about their feelings. In other words-you have to be an asshole. There are enough assholes in the world; I don't need to add to their numbers. If you want to learn how to listen to women, how to become more caring and understanding-again-this book isn't for you. I can only teach what I know and I don't know how to listen, care, or be empathetic. A nerd values his intellect over everything else. You can have any other trait, but if your brain is your defining characteristic, you're a nerd. I'll teach you how to use your best trait to pick up real girls in real places. To use my methods, you must become a hero. A hero refuses to live a life of quiet desperation. At the end of his life, a hero regrets the things he s...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
