Penguin Putnam Inc, United States, 2009. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. There are an estimated 50 million parrots in the United States today. Their intelligence and extraordinary personalities make them beloved members of the families that bring them into their homes. In *Of Parrots and People*, award-winning journalist and long-time parrot owner Mira Tweti reveals the complex world of parrots-their astonishing intellect, often-intimate relationships with humans, and, unfortunately, the calamitous practices of the bird industry. Delving into the secret world of the global parrot trade, Tweti documents the forces driving these remarkable creatures to the brink of extinction. A critical addition to the popular shelf of books about animals and their behavior, *Of Parrots and People* is a startling wake-up call in the tradition of Rachel Carson's *Silent Spring*.
