Wild Hope: On the Front Lines of Conservation Success

By Andrew Balmford

University Of Chicago Press. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. Tropical deforestation. The collapse of fisheries. Unprecedented levels of species extinction. Faced with the plethora of gloom-and-doom headlines about the natural world, we might think that environmental disaster is inevitable. But is there any good news about the environment? Yes, there is, answers Andrew Balmford in *Wild Hope*, and he offers several powerful stories of successful conservation to prove it. This tragedy is still avoidable, and there are many reasons for hope if we find inspiration in stories of effective environmental recovery. *Wild Hope* is organized geographically, with each chapter taking readers to extraordinary places to meet conservation heroes and foot soldiers and to discover the new ideas they are generating about how to make conservation work on our hungry and crowded planet. The journey starts in the floodplains of Assam, where dedicated rangers and exceptionally tolerant villagers have together helped bring Indian rhinos back from the brink of extinction. In the pine forests of the Carolinas, we learn why plantation owners came to resent rare woodpeckers and what persuaded them to change their minds. In South Africa, Balmford investigates how invading alien plants have been...
